

PPS PL+ Software

HH - CAHPS®

When it comes to HH-CAHPS, home care agencies deserve a combination of experience and trust. That's why we're a proud partner of DSS Research, a certified CAHPS vendor based in Fort Worth, TX. DSS Research is the largest health plan CAHPS firm in the country, certified for hospital CAHPS, home health care CAHPS and the Medicare Health Outcomes Survey.

By joining forces, home health agencies can now receive the experience and expertise of DSS Research in conducting CAHPS surveys and the clinical expertise of PPS Plus Software.

Plans Available to Fit Your Budget

We offer a complete range of pricing plans to best fit your needs. Discounts are available to providers with multiple provider numbers and agencies with low census numbers. Agencies with a current Home Health Edition account OR a subscription to our ICD-9 coding and OASIS review services qualify for discounted pricing.

Full Range of Comprehensive Reporting Options
